1. At a meeting today, [REDACTED], Executive Secretary, EDIC, and [REDACTED], St/I/R, discussed the question of clearing the members of the Economic Defense Intelligence Committee on a continuing liaison basis. [REDACTED] proposed a 25X1A9a system similar to that used by the EIC/S in clearing its membership for continuing contact. [REDACTED] concurred in this proposal and plans to implement this system as soon as possible. 25X1A9a

2. The procedure will be as follows:

a. The Executive Secretary, EDIC, will address a request for security approval of continuing liaison contact for each member of his committee to the Employee Activity Branch, Personnel Security Division, Office of Security, through the Intelligence Information Staff, ORR. Attached to this memorandum will be a copy of the letter designating the individual's appointment to membership on EDIC and a copy of the memorandum from the individual's Security Office certifying to the individual's clearance.

b. EAB/PSD/OS will process this request according to their normal procedures and will forward an approved copy of the memorandum of "request for continuing liaison" to St/I/R.

c. St/I/R will note and record the approved liaison and will forward the approval to the Executive Secretary, EDIC.

d. The Executive Secretary, EDIC, will maintain a "continuing liaison file" on its membership and will request renewals for the members before their continuing clearances expire. The requests for renewal will follow the system outlined above.
